Rules & Regulations

1. All players must wear CSA approved equipment including neck and mouth guards.
2. **NO BODY CHECKING** is permitted.
3. Games are 3 – 14 min periods (3 min. warm-up, brief stop between periods, time for penalty shots at end of game). A curfew is only enforced in a unique situation (i.e. injury or excessive penalties).
 - a. U7 and U9 divisions will have a 2 min. buzzer
 - b. All other divisions will change on the fly
4. U7 teams will play 4 on 4, while all other divisions will play 3 on 3. Teams may replace a goalie with a 5th skater in U7 or a 4th player in all other divisions at any time. If there is a goal differential of 5 or more, the losing team may add another player. If the goal differential is reduced to less than 5, the team will revert back to 3 on 3.
5. Once a player scores 5 goals, he/she is encouraged to work on passing the puck, and any further goals scored by that player will not be counted in the score.
6. Icings will not be called. Off-sides will be called, however instead of a stoppage in play, the referee will encourage the offending team to retreat. In the event that the referee blows the whistle on an off-side, the offending team will leave the puck and retreat outside of the blue line.
7. A faceoff will only occur at the beginning of a period. No stoppage of play will occur during the game. After a goal or if the goalie covers the puck, the offensive team should retreat to the blue line.
8. In the event of an injured player, play will be ceased until the injured player is cleared of the ice and referee deems it is safe to resume play. Time will only be stopped at the referee's discretion of a more serious injury.
